EMPOWERING YOUTH-SERVING ORGANIZATIONS FOR A STRONGER KENYA

We extend our heartfelt appreciation for your commitment to youth empowerment through your registration with the National Youth Council (NYC). Your dedication plays a pivotal role in shaping a vibrant and inclusive future for Kenya's youth. This newsletter aims to highlight the myriad benefits your organization can leverage as a registered YSO.

WHAT NEXT AFTER REGISTERING YOUR YSO?

Becoming a registered Youth-Serving Organization with NYC opens up numerous doors for recognition, growth, and national engagement. Here's what your organization stands to gain:

1. Official Recognition

Being a registered YSO with the NYC affords your organization official recognition, enhancing credibility and visibility. To fully activate your registration status, ensure you upload your certificate of registration and organizational constitution on the NYC portal. This step is crucial for accessing the full spectrum of opportunities available to registered YSOs.

2. Participate in Sector Working Groups (SWGs)

The Kenya Youth Development Policy 2019 emphasizes the establishment of Sector Working Groups to address youth challenges across various sectors, including;

1. Environment, Climate Action and Agriculture
2. Employment and Enterprise Development
3. Leadership, Governance and Values
4. Health and Well-Being
5. Peace and Security
6. Education and Research
7. Youth Professionalism
8. Talent Development, and Innovation.

As a registered YSO, you have the opportunity to be actively involved in these SWGs, contributing to policy formulation and implementation that directly impacts the youth.

3. Engage with NYC Programs and Initiatives

Registered YSOs are eligible to participate in NYC's diverse programs, such as; WAZO, Kijani, Sawazisha Gumzo and Fursa programs. For instance, the WAZO program focuses on nurturing youth innovation in various thematic areas and entrepreneurship by providing support in areas like patenting processes and intellectual property protection. Engaging in such programs can significantly bolster your organization's capacity to empower the youth effectively.

4. Feature on the Youth Council TV

Youth Council TV offers a platform for registered YSOs to showcase their innovative and impactful projects, innovations, and success stories. This exposure not only highlights your organization's impact but also inspires other stakeholders in the youth development sector. Take advantage of this opportunity to amplify your voice and share your journey with a broader audience.

5. Networking

Registration with NYC connects your organization to a network of like-minded entities within your chosen Sector Working Group. This affiliation fosters collaboration, knowledge sharing, and the development of joint initiatives aimed at addressing youth-related challenges more effectively.

6. Access Linkages with Partners

Through NYC, registered YSOs can establish linkages with various partners, including government agencies, development partners, and private sector stakeholders. These connections can open doors to funding opportunities, capacity-building programs, and collaborative projects that enhance your organization's reach and impact.

7. Appear in the NYC Monthly Newsletter

Your organization's achievements and initiatives can be featured in the NYC's official monthly newsletter. This platform provides nationwide visibility, allowing you to share your success stories, upcoming events, and opportunities with a broader audience, thereby attracting potential collaborators and supporters.
